

STARBUCKS ENTERTAINMENT AND CONCORD RECORDS
TO CO-RELEASE KENNY G'S NEW ALBUM
RHYTHM AND ROMANCE ON FEBRUARY 5

Album Marks Saxophonist's First Latin Romance Release

*Rhythm & Romance Available At Starbucks Locations
and Traditional Retailers Nationwide*

LOS ANGELES, DECEMBER 12, 2007 – Internationally celebrated recording artist Kenny G – acclaimed as the biggest-selling instrumental musician and biggest-selling jazz musician of the modern era – will release *Rhythm and Romance* on February 5, 2008. The album marks Kenny's first ever CD of Latin love songs – arriving just in time for Valentine's Day. The album will be available in traditional retail outlets as well as Starbucks company-operated locations in the U.S. and Canada.

Along with being Kenny's first CD of Latin love songs, *Rhythm and Romance* marks his debut release for Concord Records, the premier independent jazz label that is home to the greatest jazz artists of all time. Kenny furthers Concord's commitment to highlighting world-class musicians at their best and most innovative. *Rhythm and Romance* will be co-released by Concord Records and Starbucks Entertainment, the same team which co-released Ray Charles *Genius Loves Company* and Sergio Mendes *Timeless*.

"Kenny G is one of the most successful artists of our time and his work has inspired music lovers everywhere," said Ken Lombard, president Starbucks Entertainment. "It is a great pleasure to work with Kenny G and our friends at Concord to co-release *Rhythm and Romance*."

"There are very few instrumentalists who have transcended their genres and become house-hold names," said Concord Music Group president & CEO, Glen Barros. "With *Rhythm and Romance*, Kenny G has applied his distinctive style to the already emotionally charged Latin genre and the results are sure to connect with his million of fans."

Rhythm and Romance is a unique combination of rich Samba, Salsa and Bossa Nova love songs anchored by Kenny's intoxicating and signature saxophone melodies. From the classic ballad "Sabor a Mi" to the romantic "Besame Mucho," Kenny has created a tantalizing album unlike any other in his catalogue. On this seductive album, Kenny performs with some of the best Latin musicians including Alex Acuña of Weather Report (drums), Ramon Stagnaro (guitar), John Pena (bass), Michito Sanchez (percussion) Enrique Martinez (accordion), Nathan East (bass), Paulino Da Costa (percussion) and producer Walter Afanasieff (piano) to create a truly infectious rhythmic style.

"I want to thank Concord Record and Starbucks for what has been one of the most enjoyable experiences of my career," said Kenny. "To have the opportunity to play with these amazing musicians has allowed my music to grow in ways I have never expected."

With a career spanning more than 25 years, Kenny G's natural ability to create and set different moods with his music has made him one of the world's most renowned soprano saxophone players. With total global sales of more than 75 million albums, singles and videos, he has earned GRAMMY, American Music, Soul Train, World Music and NAACP Image awards as well as a star on the Hollywood Walk of Fame.
